## 1 Main Page

1. Vision
2. Leadership
3. Projects
4. Publication
5. Contact

### 1.1 Vision

vision page should include the mission and value statement in the SoDA lab

### 1.2 Leadership

list of personnels and their responsibilities in the SoDA lab

### 1.3 Projects

brief introduction of each project that is being worked on by each member of the SoDA lab, focus on the high-level abstraction and big pictures instead of detailed technicalities.

### 1.4 Publication

list of publication of SoDA lab, categories by research sub-topics. It would be great to have some sort of indexing function by keywords, categories, authors and conferences

### 1.5 Contact

contact information of PI Eunsuk Kang, or some collective communication channel for the SoDA group.
